8th September 2020

Dear Exhibitor.

With the RASWA having to cancel Perth Royal Show for 2020 we would like to make the following statement.

The Wanneroo Agricultural Society volunteers have been working extremely hard over the past few months to enable us to run our 2020 show on the 20th & 21st November. We have made a number of changes to our programme and our showgrounds that currently enables us to run our annual show under the current PHASE 4 restrictions. As we are not bringing in anyone from other states to work within the event and only utilising local talent and businesses, we feel confident in our decision to go ahead.

With so many small businesses, local sporting, service and community organisations benefiting from the Wanneroo show we are continually working towards ticking all the relevant boxes to make the 2020 Wanneroo Agricultural Show a reality this year.

At this stage it is business as usual however, due to the Covid-19 restriction and our concerns for the wellbeing of a large number of our volunteers that are required to organise the entries and Exhibition in the Margaret Cockman Pavilion, the Society have decided not to run the arts and craft Exhibition this year. Please see detail on the schedule page on our website.

We will continue to be guided by our State Government and Health Experts to ensure that the event will be safe for all those who wish to attend, and will keep you informed if there are any developments/changes to the event.

Michael Aspinall

President
Wanneroo Agricultural Society (Inc)
