8th September 2020

Dear Exhibitor.

Due to the Covid-19 restriction and our concerns for the wellbeing of a large number of our volunteers that are required to organise the entries and Exhibition in the Margaret Cockman Pavilion the Society have decided the following classes will not be exhibited this year in the Pavilion.

Entries To be removed from Show Schedule for the 2020 show.

(B) Vegetable (C) Fruit & Nuts (C1) Eggs (D) Cooking (E) Jams & Pickles
(F) Needlework (G) Hobbies, Arts & craft. (H) Children section (I) Photography
(K) Horticulture (P) Amateur Wine & Beer.

We will however still be organising: -

Sections (A) Horses in Action (M) Poultry (N) Rare Budgerigars (O) Pigeons (S) School Challenge and the Goat display along with the log chop.

This decision was not taken lightly, as we know a large number of people take pride in their work to be exhibited at the show each year.

We hope to see you all back next year with your exhibits of arts and crafts.

Michael Aspinall

President.
