## Carriage Driving / Harness Horses

The Harness competition comprises horses and ponies which are divided into Carriage Driving, Race Cart and Working Harness competitions. Horses are judged on conformation, presentation, manners, and paces within their field. Carriage driving is the discipline of horses working with either two or four wheeled carriages presenting an elegant spectacle. Heavy Harness horses are presented in harnesses without vehicles simulating the traditional work draft horses were bred to do. Race cart competitions showcase the Standardbred racehorse in their post-racing careers as show horses.
